Dr. Ethan Kolderman

Special good for the first 13 people that schedule monthly. Transferable. Share with your loved ones.

See what our patients say about their experience!

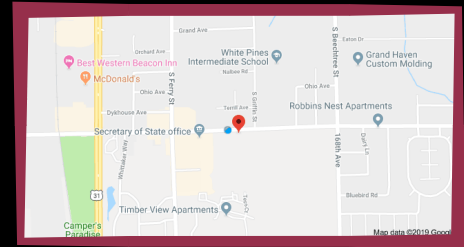

Dr. Kolderman is very personable and gentle. Extremely easy to explain my dental concerns to. Office is clean and everyone is so upbeat, professional and very caring! This office can take care of the entire family and they have accommodating hours available as well. If you need a dentist call Grand Haven Dental Care!
